Sloth the Lazy Dragon lives in a mountain atop his hoard of gold and jewels. He believes he has all that a dragon could possibly want, until he meets a brave dwarf named Radish who offers to help him lose weight. With Radish's guidance, Sloth finds himself eating healthier and getting plenty of exercise. In time, Sloth gains the freedom that his new healthy lifestyle brings, which he discovers is more valuable to him than all the treasure in the world.
